I will be here in my office at the Senior Center during the week while it is closed 12/26-12/29 so if you need assistance don't hesitate to give me a call or set up an appointment. I hope that as Winter progresses that you will continue to visit the Senior Center To take part in all of the wonderful activities here it will be good for your mental health!

In December, I had the pleasure of representing Easton by ringing the kettle bells with two Barlow HS students for the Salvation Army at Shop and Shop in Fairfield. The funds from this drive benefit residents of Easton and surrounding towns with assistance with Fuel, Food and Shelter.

Fuel Assistance: applications can continue to be submitted please call me with any questions about how I can help you apply.

Scams: Please be alert to possible scams that may come in the form of a phone call, email or at your door. Callers impersonating a health official who wants to "verify records" for your health insurance or they may try to charge you a fee for your new Medicare MBI cards.
